

# Merry Christmas 2025

## A warm greeting to you!

The year 2025 has been a very good one. God has opened many doors in India, Iraq, Tbilisi, Georgia, Peru, Mexico, England and the Philippines to teach the Inductive Bible study seminars. I have also taught six seminars in different US states. The doors for training continue to open up. I am already booked for next year in Mexico, Pakistan, Germany and Tanzania. I'm excited to see the new doors He will open 2026.

### Jim and Janice Larson- Tanzania, Africa

Our Tanzania staff have developed eleven Bible schools in Tanzania, Sudan, Liberia, Malawi and Kenya, that train pastors in Expository preaching. Hundreds of pastors have gone through this training and are now teaching chapter by chapter, verse by verse every Sunday. Staff are also teaching the Inductive Bible study course in many churches. We are looking to open new schools in Uganda, Pakistan and possibly the Philippines. What an incredible work God has done.

### Carlos & Yolanda Casco- South America

The work in these countries is expanding. Carlos has taught Inductive Bible study in Ecuador, Columbia, Chile, Brazil, Peru and Bolivia. He has also planted a Calvary Chapel church in his hometown in Ecuador that is rapidly growing.

## The Finfrock Family

Our three remaining children are moving into their 50's. God has blessed each of them. Our oldest daughter, Lela is married to Frank Sanchez who pastors Calvary Christian Fellowship in Colton, California. She teaches in a local public middle school as a Special Ed teacher. They have four children, three of them, Rena, Lizzy and Caleb, are in their 20's and the youngest is Anna at 14.

Corrie is married to Chris Marquardt and they had four children, Hope and Hannah in their late 20's, Adam and Isaiah are in college and high school. Corrie is an online teacher in the public schools. Her husband is an inspector for pipeline work.

### Jing and Joy Gayaden – Philippines

Jing has recently taken over the leadership in the Philippines. He has kept very busy traveling all over the Philippines doing seminars. He recently did training in Laos also.

### Pete and Karly Nelson- Asia

Pete has done a number of seminars in Laos, Cambodia and Thailand this year. Early this year he was in a bike accident that broke ribs and tore up his face. He has fully recovered, PTL!

### Jose and Sara Victor- India

Jose and Sara are living in St. Petersburg, Florida at this time. We brought the family to the states because of death threats to them. He has done online seminars and has three television stations in India that broadcast his Bible teaching that reaches thousands of people. The persecution in India has been intense for many believers with many churches and homes being burned. There has been a number of pastors and congregation that have been killed by radical Hindus. He is currently waiting for a green card so he can take trips back into India to train leaders.

### Zeeshan & Nomi Robert -Pakistan

God has been working in this country. Zeeshan has done many seminars this year and the word has spread that this Inductive Bible study is a great course to take. Participants are frequently saying that the IBS is a very different way of studying the Word. This next March, Jim Larson and I will be going there to start another ICM Bible school.

*Nathan is married to Alyssa and owns his own company in web design. They have two children, Malachi and Cara, ages 14 and 12.*

*It is exciting to watch God use each of our children and their families in service for His Kingdom. We are truly blessed by their lives.*

**May God bless each of you during this season of the year. Thank you for your prayers and support. Merry Christmas and a Happy New Year!**

**Love, Dan & Debbie**
